UAlberta Web Style Guide:

<https://www.ualberta.ca/university-relations/university-digital-strategy/web-style-guide>

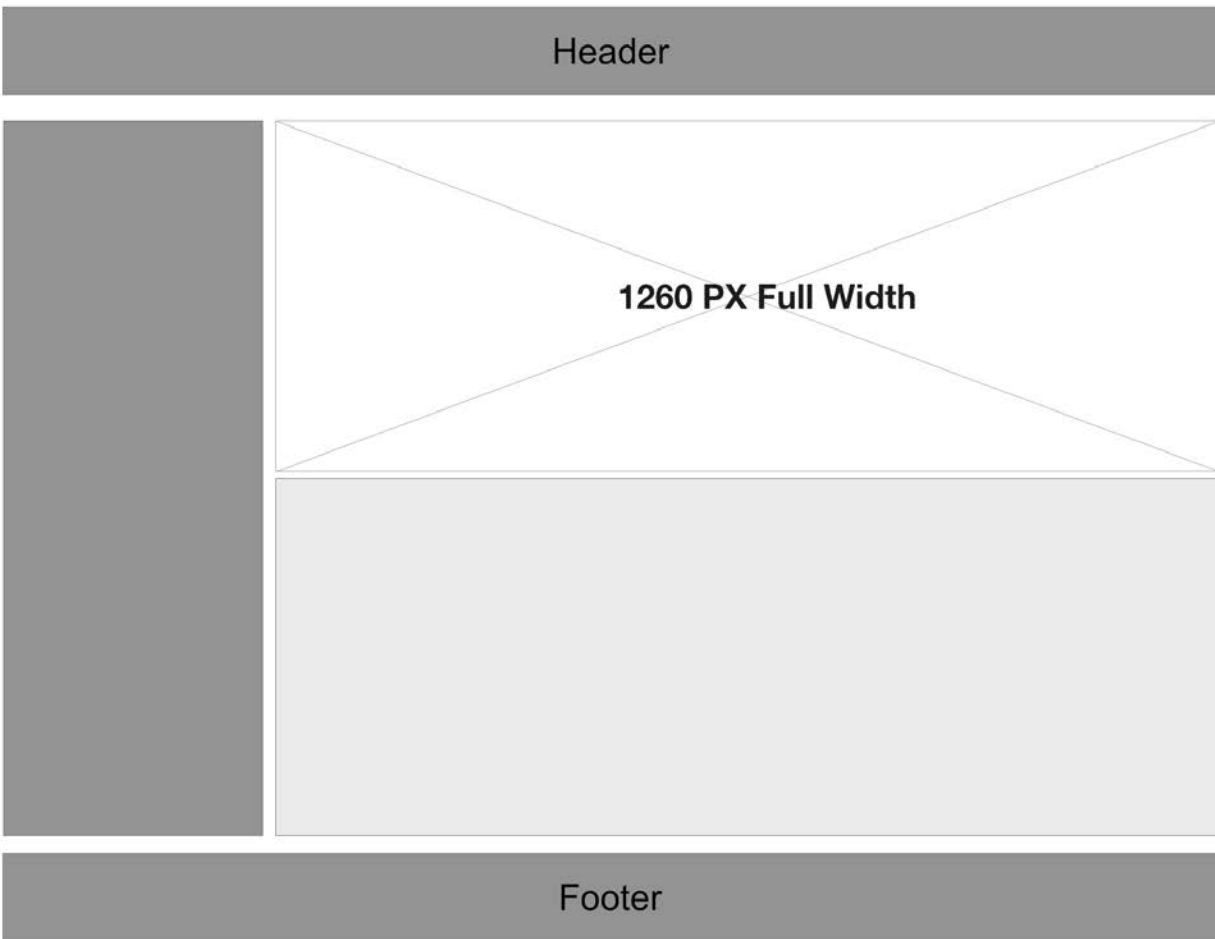

Faculty Page (800 x 450) 16:9 Aspect Ratio

Notes:

- The minimum width and height in pixels is 800 PX (w) x 450 PX (h).
- Maintain the aspect ratio of 16:9

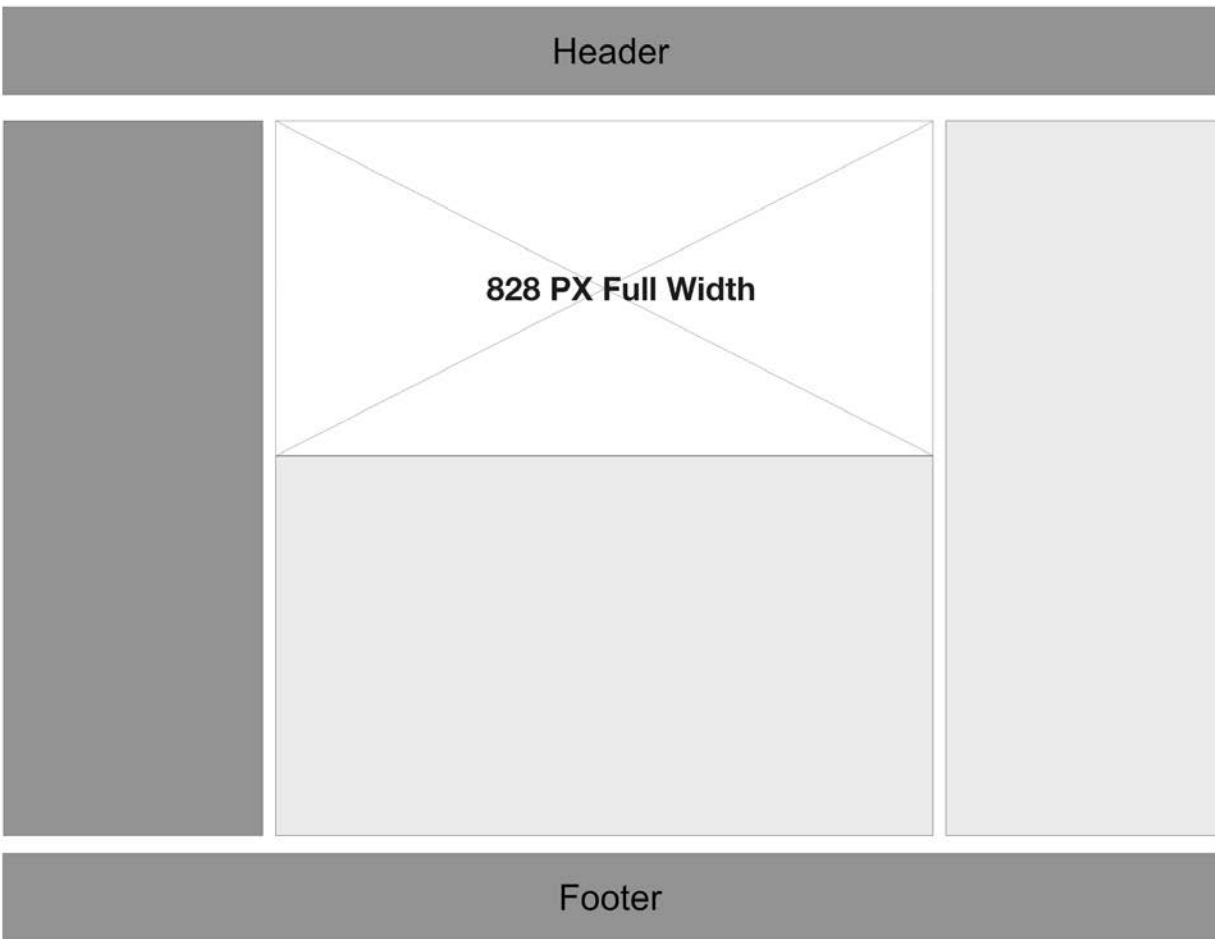

One Column Page Full Width (1260 PX)

Notes:

- The minimum width for a one column page is 1260 px that would cover the full width of the content area.
- Height varies depending on the orientation (Landscape or Portrait).

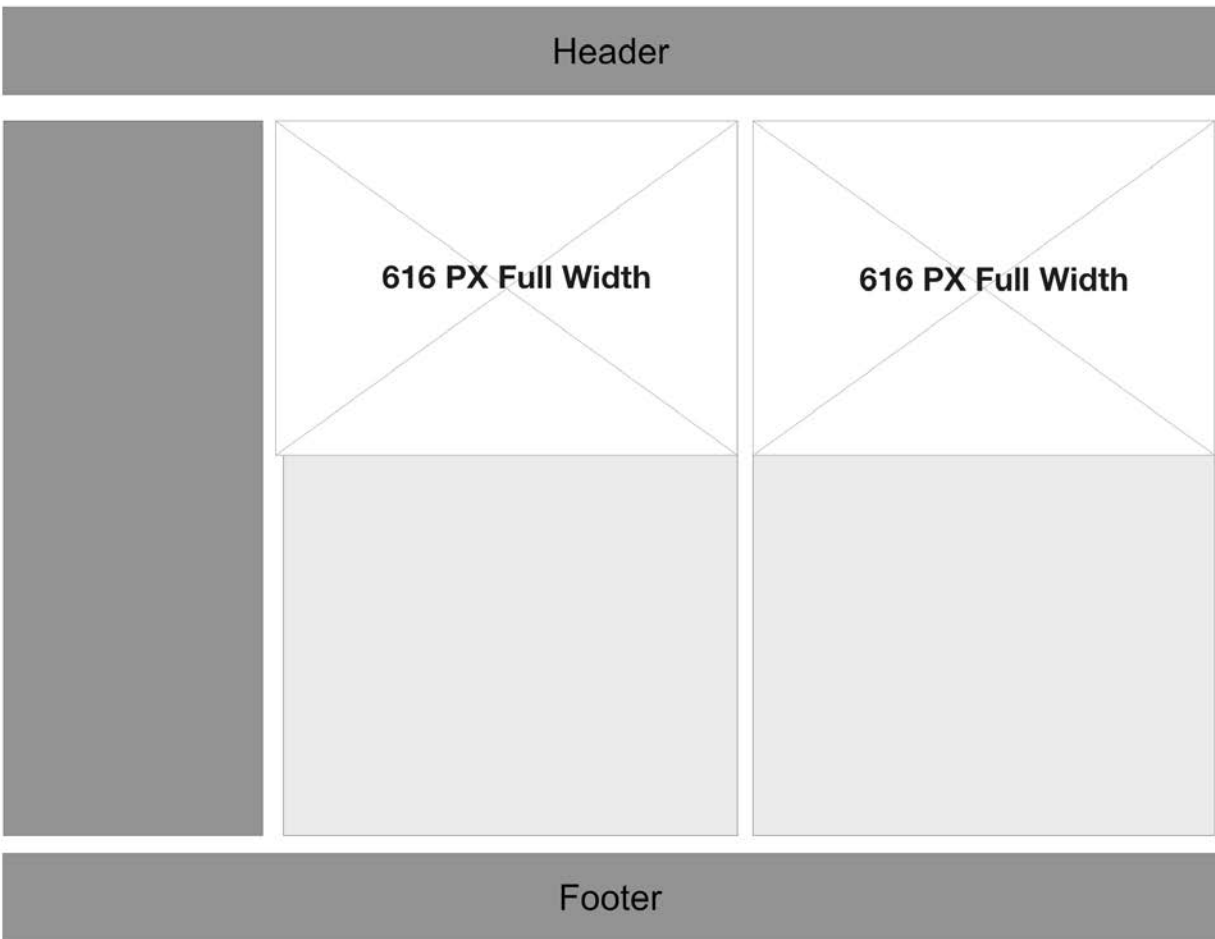

One Column Page w/ Sidebar (Full Width 828 PX)

Notes:

- To fill the entire width of the content area of a one column page the minimum width is 828 pixels
- Height varies with the orientation of the image (Landscape or Portrait)

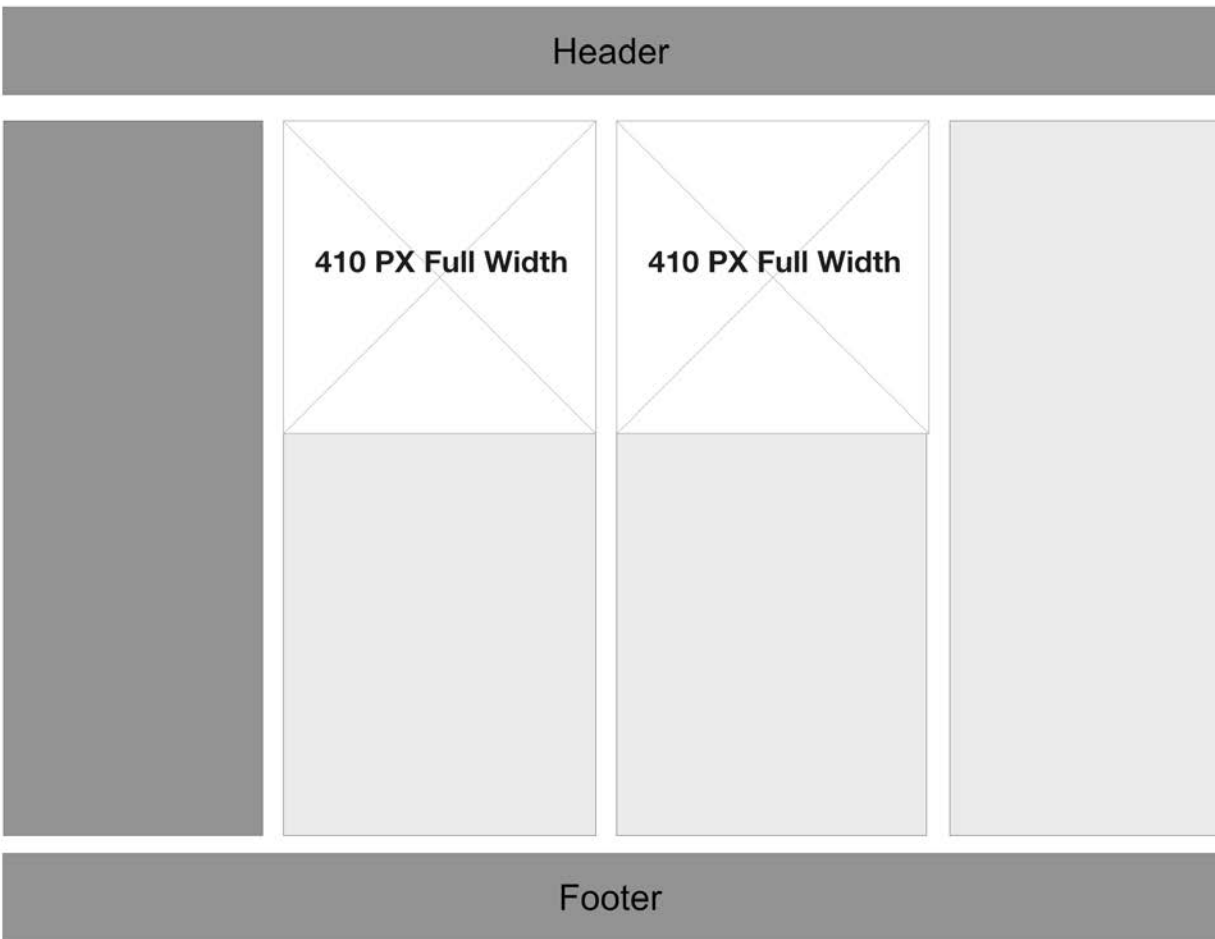

Two Column Page (Full Width 616 PX)

Notes:

- The maximum width for two column page is 616 Pixels
- The image will scale depending on the device (Mobile, Desktop or Tablet)

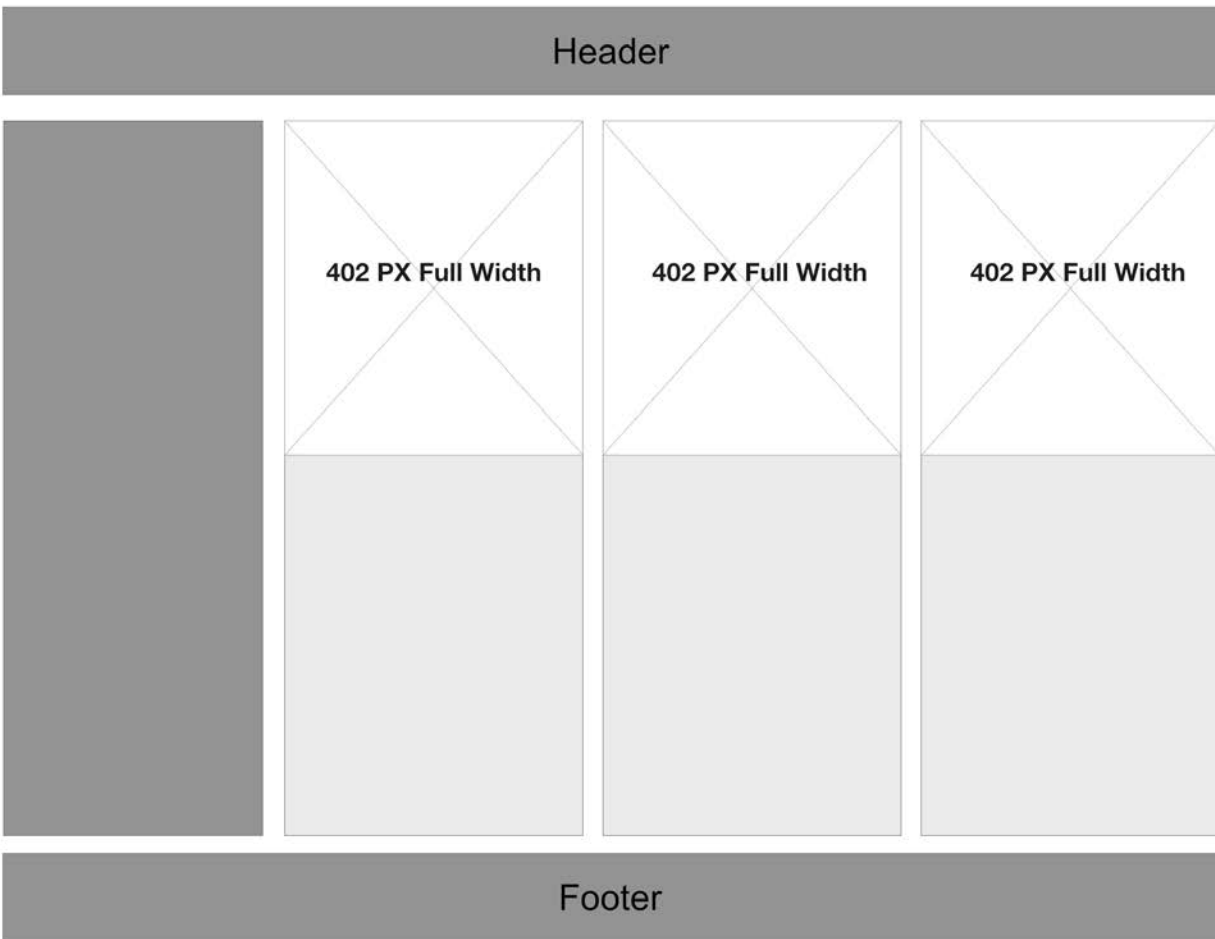

Two Column Page w/ Sidebar (Full Width 410 PX)

Notes:

- The max full width for images on a two column page with sidebar is 410 pixels
- Images scale depending on the device (Mobile, Desktop or Tablet) screen size

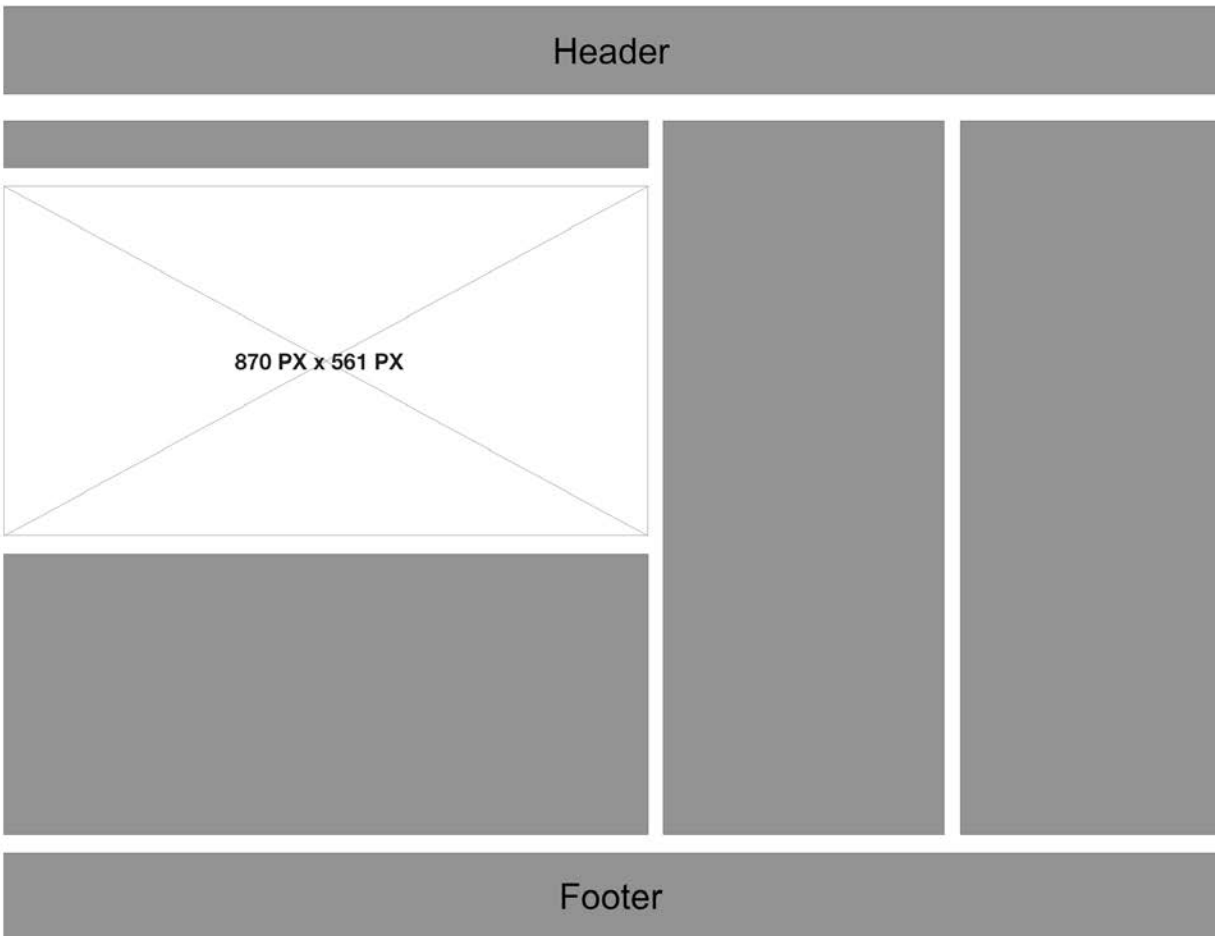

Three Column Page (Full Width 402 PX)

Notes:

- The max full width for images on a three column page is 402 pixels
- Images scale depending on the device screen size

News Stories (News Story Template)

Notes:

- **Featured image** for news should have 870 (width) x 561 (height) in pixels
- **For news teaser (square) image** dimension is 88 x 88 pixels [Aspect Ratio 1:1]

Teaser Data List

- **Teaser Data List (Square) Image:** 88 x 88 (Pixels) Aspect Ratio = 1:1
- **Teaser Data List (Rectangular) Image:** 163 x 89 (Pixels)

Notes:

- Images scale to fit the container but we recommend to use the above image dimensions for consistency and improved page speed.
